

Namaskar

Abc..., according to Astrology Aquarius ascendant (kumbha lagna) and Aquarius moon sign (kumbh rashi) is rising in your horoscope, Venus mercury & Saturn are favorable planets in your horoscope.

In your horoscope sun & mercury are combined in 12<sup>th</sup> house it forms Budhaditya yoga which shows that you are an intelligent and deep thinking person, Jupiter is placed in 5<sup>th</sup> house also makes you knowledgeable and gives you mature personality, in your horoscope Venus (planet of desires) & moon are combines in 1<sup>st</sup> house which makes you an ambitious person and you would like to achieve big targets in your life, in your horoscope ascendant lord Saturn aspects ascendant and there is a exchange of places between Sun & Saturn so both of these combination are good which will give you good social respect and it combination also makes you a confident person and gives you ability to face every situations in your life, according to planetary combination you will be intelligent knowledgeable and confident person but in your horoscope Saturn aspects moon (planet of mind) which creates mental instability so there would not be mental peace in your life and you also feel anxiety and depression problem many times.

If we look on all planetary combinations in your horoscope then your horoscope is an average horoscope actually here is a mixture of positive & negative planetary combinations..... in your horoscope your Bhagya lord Venus is placed in 1<sup>st</sup> house which is an auspicious combination it helps to get succeed and also gives prosperity so it is a favorable combination here besides this as we above mentioned Budhaditya yoga is also forms in your chart and Jupiter is also well placed in 5<sup>th</sup> house so it makes you a talented person, aspect of Saturn on ascendant will make you a respected person in society and 11<sup>th</sup> lord Jupiter aspects 11<sup>th</sup> house (house of earning) this will give you a regular earning so these are some favorable combinations in your horoscope but if we look on some weak point then first of all Mars (career lord) is debilitated in 6<sup>th</sup> house which is a big weak point here from career's point of view it creates hurdles and struggle in growth of career, Saturn is hanging between two malefic planets (mars & rahu) so it also creates hurdles in professional life, as we mentioned 11<sup>th</sup> lord Jupiter aspects 11<sup>th</sup> house so you will earn well but ketu is placed in 2<sup>nd</sup> house (stable money) so it creates instability of money.....so according to planetary combinations your life will be average, you will be succeed but after hurdles & struggle, in this type of planetary combinations native faces ups & down in his life time to time and have to do much efforts to succeed, in your horoscope a favorable & supportive point for you is the placement of Venus in ascendant because Venus is your Bhagya lord so it means you will face hurdles & ups & down in your life but because of favorable placement of Venus finally you will be succeed and your efforts will not be useless.

**Health :** according to astrology 1<sup>st</sup> house & it's lord represents our health.... In your horoscope ascendant lord Saturn is placed in 7<sup>th</sup> house and it aspects 1<sup>st</sup> house which is a favorable thing for your health and it will protect you from major health issues besides this placement of Venus in 1<sup>st</sup> house is also supports your health, but placement of moon in 1<sup>st</sup> house is not good for your health because moon is 6<sup>th</sup> house lord (lord of diseases) so moon's placement in 1<sup>st</sup> house is a weak point from health's points of view besides this debilitated mars is placed in 6<sup>th</sup> house which creates health issues so according to this planetary combination your health will be medium but because of moon's placement in ascendant and debilitated mars in 6<sup>th</sup> house there will be some health issues in your life, you will specially face.... digestion problem, intestine related problem, stomach infections, muscles pain, hipper acidity & joints pain.

Mars is debilitated in your chart in 6<sup>th</sup> house so there also makes a chance of surgery in your life.

**Career :** according to astrology 10<sup>th</sup> house & it's lord controls our career and Saturn also represents professional life..... In your horoscope 10<sup>th</sup> house lord Mars (lord of career) is debilitated in 6<sup>th</sup> house (malefic house) so 10<sup>th</sup> lord is so weak here besides this Saturn (significater of professional life) is hanging between two malefic planets and Saturn is placed with only 4 degree so Saturn is also weak here, so because 10<sup>th</sup> house lord mars (career lord) and Saturn both are weak in your horoscope so it makes your career struggleful and you will face ups & down in your career time to time, one thing is helpful for your career and it is retrograde Jupiter, Jupiter is placed in 5<sup>th</sup> house but it is retrograde so Jupiter also have effect of placed in 4<sup>th</sup> house and it also aspect 10<sup>th</sup> house (house of career) so Jupiter is giving strength to your career..... so result of all these planetary combinations is this your career will be struggleful because 10<sup>th</sup> lord mars & Saturn is so weak here so it creates hurdles in career time to time and person would not get expected results in his career but Jupiter is helpful for your career so after struggle you will be able to succeed in your career but status of your career will be average will not be expected. (we will recommend some remedies for this)

**Finance & prosperity :** 11<sup>th</sup> house in horoscope represents earning and 2<sup>nd</sup> house represents stability of money or stable money besides this Venus is the natural significater of money & prosperity..... in your horoscope 11<sup>th</sup> & 2<sup>nd</sup> house lord Jupiter is well placed in 5<sup>th</sup> house so it is a auspicious combinations and Jupiter aspects 11<sup>th</sup> house so 11<sup>th</sup> house (house of earning) is strong in your horoscope which shows regular earning so you will earn well and your regular earning will be okay, but in your horoscope Ketu (a malefic planet) is placed in 2<sup>nd</sup> house so 2<sup>nd</sup> house is weak here which creates instability of money, besides this Venus is placed in 1<sup>st</sup> house but Venus is hanging between two malefic planets (ketu & sun) so Venus is okay here but not in best condition it is also medium so according to all planetary combinations your earning

will be okay you will earn well but there will be instability of money or much expenses also possible in your life.

Venus is placed in your horoscope with medium strength and retrograde Jupiter aspect your 4<sup>th</sup> house (house of property) so property & prosperity will be okay in your life.

**Married life :** 7<sup>th</sup> house and it's lord represents marital status and Venus is also signifies married life, in your horoscope 7<sup>th</sup> lord Sun is placed in 12<sup>th</sup> house (a malefic house) and malefic planet Saturn is placed in 7<sup>th</sup> house besides this 7<sup>th</sup> house is hanging between two malefic planets (mars & rahu) so 7<sup>th</sup> house and its lord sun both are weak here which creates marital ups & down but Venus is okay in your chart and moon & Venus two auspicious planet aspect 7<sup>th</sup> house (house of marriage) so there is possibility of ups & down or disputes in your married life but because of auspicious aspect of moon & Venus on 7<sup>th</sup> house problems will not create serious situation so your married life would be in medium status.

Jupiter represents progeny or children, In your horoscope Jupiter is well placed in 5<sup>th</sup> house so your kids will be respectful well behaving for you and will support you in life.

So according to planetary combinations in your horoscope as we above mentioned that your life will be average and life will be stable after struggle but good thing is this your efforts and struggle will not be useless because your Bhagya lord Venus is well placed in 1<sup>st</sup> house and it is okay so this is true that you will face ups & down in your life time to time specially in your career so you have to much efforts to succeed but your Venus will always help you and after hurdles you will achieve your goals.

On more thing is important here that mars is debilitated in 6<sup>th</sup> house and it creates debt problem so you should always avoid to take loans or other type of debts because debilitate mars creates problem in repayments also, besides this you should always conscious in driving any vehicle.

**Present & upcoming time :** in now days Jupiter antardasha (2/8/2015 to 12/2/2018) is running in Saturn mahadasha (12/2/1999 to 12/2/2018) Saturn is not very strong here but it's favorable planet in your horoscope and antardasha lord Jupiter is well placed in your horoscope so planetary dashas in your horoscope is okay but present planetary transit is not good for you, rahu is transiting in Leo and ketu is transiting in Aquarius and these both are giving negative influence to your natal Saturn & Venus which creates professional and financial struggle, besides this Jupiter is transiting in Virgo on your natal rahu so Guruchaldaal yoga is forming in now days in your life it also creates hurdles and health issues besides this Saturn is moving with Scorpio in your 10<sup>th</sup> house (house of career) from 20<sup>th</sup> June so it is also a malefic combination for your career in now days, so in presents all planetary transit is struggleful for you, but now important thing is this how will be upcoming time for you..... There will be some planetary

changes in future which will be auspicious & helpful for you, first of all rahu & ketu will change their place on 17<sup>th</sup> August and it will be a positive change for you but specially Jupiter will enter in Libra on 12<sup>th</sup> September 2017 it will be a very auspicious combination for you, when Jupiter will enter in Libra then it will aspect your natal Jupiter, Venus & moon so it will be very fruitful for you, present struggle in your life will stop and your life will speed up and there will be many opportunities in your life after 12<sup>th</sup> September, as you mentioned about your job problem in your first consultation so Jupiter's transit in Libra also will be fruitful for your career and after Jupiter's enter in Libra on 12<sup>th</sup> September there will be good chances for your job, so Jupiter's transit from September 2017 will bring good changes in your life, after it there will be one more positive change for you.... Saturn will enter in Sagittarius on 26<sup>th</sup> October and it will aspect your natal Jupiter so it also will be auspicious for your career and will help you to grow in your career so after September 2017 planetary transit will be fruitful for you and your efforts will be fulfilled.

We are recommending some astrological remedies for you which will be helpful in your growth :
